Dr.D.V.R's Sainik School

Where Excellence Meets Discipline
Empowering Young Minds at the Best
Sainik School

About us

Dr. DVR's Sainik School stands as a beacon of excellence in education, discipline, and holistic development. Renowned for its commitment to nurturing future leaders, the school blends rigorous academic programs with comprehensive training in physical fitness, character building, discipline and leadership skills.

Equipped with state-of-the-art facilities, guided by experienced faculty, and rooted in values-driven education. Dr. DVR's Sainik School offers a dynamic environment that promotes intellectual growth and moral integrity. Its strong emphasis on discipline and patriotism prepares students not only for competitive exams but also for a lifetime of service, responsibility, and success.

Why Choose Us ?

Dr. DVR's Sainik School in Inkollu, Andhra Pradesh, here are some key reasons why it might be a good choice, based on the school's stated mission and information available:

1

Focus on Holistic Development:

The school emphasizes a balanced approach that combines academic rigor with physical fitness and character development and is to "nurture future leaders with strong values, intellectual excellence, and unwavering discipline."

2

Academic Excellence:

The school follows the CBSE curriculum and places a strong emphasis on academic performance. They have a well-equipped campus with modern facilities like smart classrooms and well-stocked labs and libraries. The curriculum is designed to prepare students not only for the CBSE board exams but also for competitive exams, particularly those for defence academies.

3

Discipline and Leadership:

Discipline is a core value, with the school's mission centered on instilling patriotism, a sense of responsibility, and perseverance. This structured environment is meant to build a strong foundation for a career in the armed forces or any other field where leadership and integrity are valued.

4

Preparation for Defence Services:

Like other Sainik schools, Dr. DVR's provides specific coaching and training to prepare students for entry into the National Defence Academy (NDA) and other defence service academies. This includes not just academics but also physical training, which is a crucial part of the curriculum.

5

Modern Facilities:

The school's website and news reports highlight its state-of-the-art infrastructure. This includes smart classrooms, science and computer labs, and facilities for sports and other extracurricular activities. This modern infrastructure is intended to provide a conducive environment for learning and personal growth.

6

All-Around Development:

Beyond academics and physical training, the school aims to develop well-rounded individuals. This is achieved through co-curricular activities, sports, and a focus on soft skills like public speaking, teamwork, and leadership, which are essential for success in any career.

Programs

Full-time and Experienced Faculty

The school provides a "student-centric and technology-enabled learning environment supported by well-qualified and experienced faculty." Furthermore, they state that their teachers are not just instructors but mentors who lead by example.

The school's public disclosure documents list the principal, **Mr. Yeleswara Rao Sanam**, with the qualifications of **M.Sc. and B.Ed.** The documents also provide the total number of teachers, including one special educator and a counselor.

The school also states that they have a **teacher-student ratio of 1:15**, and that they provide regular training and workshops to ensure their faculty stays updated with the latest educational trends and teaching methodologies.

At **Dr. D.V.R.'s Sainik School**, we offer a wide range of academic and preparatory programs designed to nurture young minds and prepare them for excellence in academics, defense, and professional careers.

01

DAY SEMI CLASSES 1 TO 9

02

HOSTEL CAMPUS 3 TO 9

03

NDA, TES, IIT/JEE, NEET

04

AISSEE, RMS, RIMC

High Quality Teaching Notes and Worksheets

The teaching materials are designed to support a student-centric approach, focusing on project-based learning and Continuous and Comprehensive Evaluation (CCE).

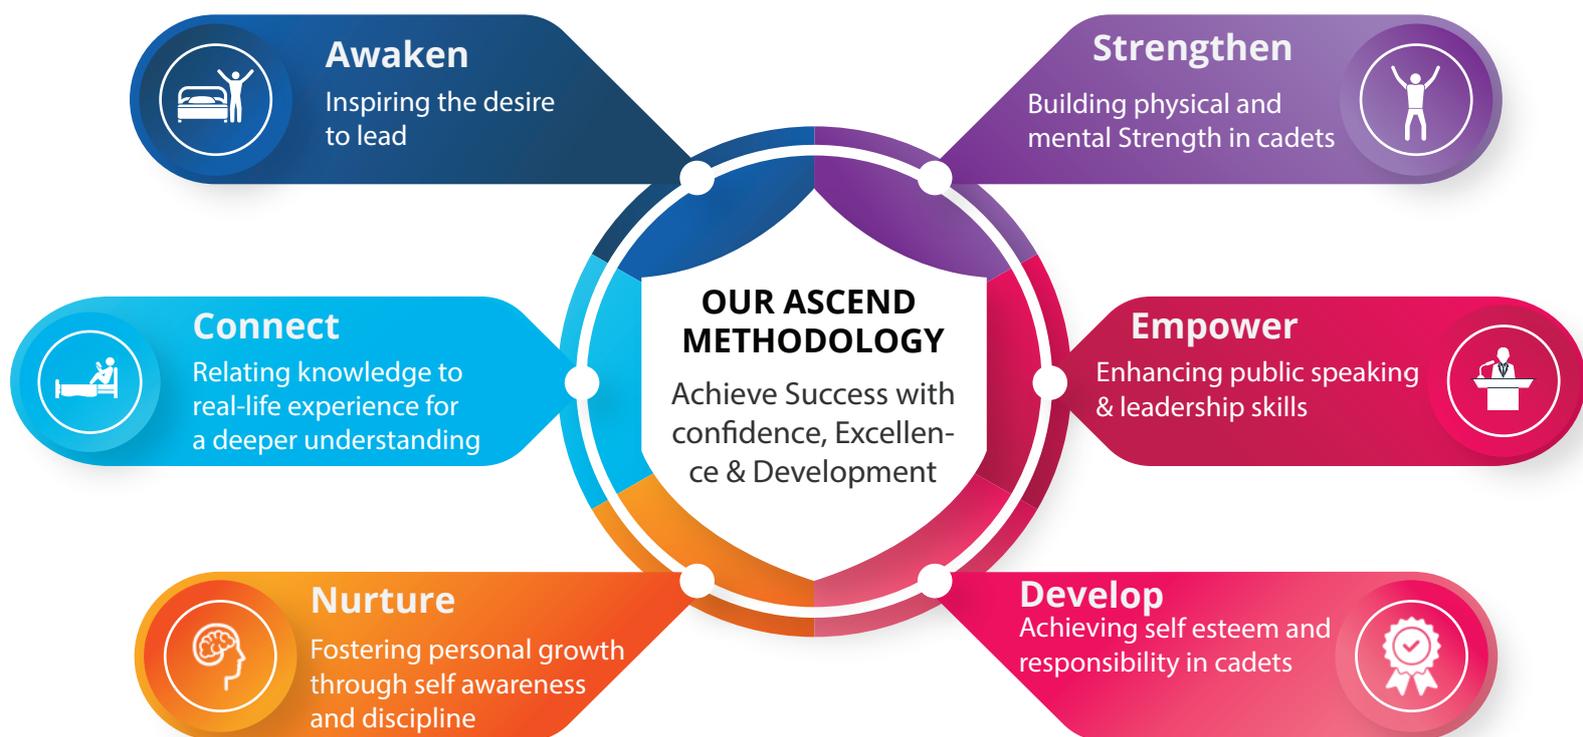

This implies that the worksheets and notes are not just for rote learning but are structured to encourage critical thinking, problem-solving, and a deeper understanding of concepts through hands-on practice in their well-equipped science, mathematics, and computer labs.

The school also provides remedial classes and specific preparation for competitive exams like the NDA, which indicates that the worksheets are customized to address students' individual needs and prepare them for high-stakes tests.
